

# OPEN YOUR HEART. BE TRUE TO YOURSELF.

Imagine meeting someone who understood even the dustiest corners of your mixed up soul.

Go forth with all of your heart. Be open to all that you are and that is being given to you. Believe that you will find that everlasting love for yourself.

One of the happiest moments in life is when you find the courage to let go of what you can't change.

Letting go gives you freedom.

Attachment can hold you down, mentally. Don't be afraid to let the universe take control. You can manifest what you desire. But you have to let go of expectations. Once you let go, you will have more room in your heart to love and more time in your life to live.
