

What are you waiting For?

What are you waiting for?

**Are you waiting on a lightning strike?
Are you waiting for the perfect night?
Are you waiting till the time is right?
What are you waiting for?**

**Don't you want to learn to fear?
Don't you want to take the wheel and steer?
Don't you wait another minute here?
What are you waiting for?**

**You've got to go and reach for the top.
Believe in every dream that you've got.
You only live once so tell me what are you,
what are you waiting for?**

**You know you've got to give it all,
And don't you be afraid if you fall,
You only live once so tell me what are you,
What are you waiting for?**

**Are you waiting for the right excuse?
Are you waiting for a sign to choose?
While you're waiting it's the time you lose
What are you waiting for?**

**Don't you want to spread your wings and fly?
Don't you really want to live your life?
Don't you want to love before you die?
What are you waiting for?**

**Tell me what are you waiting for
Show me what you're aiming for
What are you going to save it for?
So what are you really waiting for?**

**Everybody is going to make mistakes
But everybody's got a choice to make
Everybody needs a leap of faith
When are you taking yours?**

**What are you waiting for?
You've got to go and reach for the top
Believe in every dream that you've got
Your only living this life once
So what are you really waiting for?**
